OUR JOURNEY BEGINS

It's a delight to be writing my first newsletter article as your rector! I'm looking forward to getting to know each of you personally through our conversations and visits with each other, and through your ministries inside and outside of the church. For now, here's some basic information about me: prior to my ordination 10 years ago, I was a commercial real estate paralegal in a Memphis, TN law firm. I grew up in Northeast Arkansas and lived there until moving to Western North Carolina in 2011. My only child, Dan, and his wife Kristen live in Minneapolis with their daughters Iris and Olive and are expecting a baby in December. I'm completely deaf in my left ear, so I may ask you to repeat what you said to me. I've been a widow since 2011 and coming to Minnesota marks the beginning of a new adventure for me.

My role as your rector is to partner and collaborate with you in ministry, to encourage and empower you to do the work to which Christ has called us all. As your pastor, I want to walk with you through life's ups and downs, always reminding you that you are Beloved of God. I have no doubt that God's Holy Spirit has brought me to Mankato to serve Christ with you, and I'm excited about our future together.

Some of you have asked what to call me. "Chris" always gets my attention! If you want to put a title before it, my first preference is "Mother Chris." If that doesn't work for you, I'll also answer to "MC" or "Rev. Chris." Regardless of what you

Prayers for our Presiding Bishop

Last week Presiding Bishop Michael Curry announced that he would undergo surgery for prostate cancer. The surgery was successful and his full recovery is expected. Please keep Bishop Curry in our prayers in the coming weeks.

New Offering Update Format

The first and third numbers are based on our total expenses budgeted; the second and fourth numbers are the amounts of the actual offerings (not including investment distribution, parking lot rent, ECW income). The final number (difference) shows the amount we would still need to collect to be able to discontinue our draw on our investments. The previous offering totals included the draw on investments and the parking lot income.
